Email: [greg@greg-thompson.com](mailto:greg@greg-thompson.com)

*I am a third year sound design student at Ravensbourne I have plenty of expertise in both live and post sound. Done many shows at the theatre in Maidstone and also been working on making my own projects and others in post for a long time.*

## **EMPLOYMENT**

### **Jan 2008 - Sept 2010 Barman at Mote Squash Club**

---

I had all the regular duties of a barman plus did some accountancy work too after my shifts. Mote squash club provides drinks and services to over 200 members I had to:

- Pour drinks
- Get in new members
- Accountancy to pay others wages and to count up
- Change over the sheets

### **Nov 2009 - Present Student Ambassador at Ravensbourne**

---

I had to invite new people into the university and then show them around the campus along with providing helpful services to general public visiting Ravensbourne:

- Being a tour guide around campus
- Looking after new guests to the university
- Representing the university at outside events

### **Dec 2009 - Present Web Design at Greg-Thompson.com**

---

My own side project. I have always designed websites for myself and recently started doing so for other people.

- Having an ongoing relationship with customers in a professional capacity
- Designing websites for clients to their specifications
- Dealing with money and payments.

## **EDUCATION**

**2010-2011 BA (Hons) Broadcasting (Sound Design), Ravensbourne**

**2008-2010 Fda Creative Sound Design, Ravensbourne College of Design and Communication**

**2006-2008 'A' Levels, Valley Park Community School, Maidstone, Kent**

'A' Levels in Media Studies and Photography

**1998-2003 GCSEs Valley Park Community School, Maidstone Kent**

6 GCSE A\*-C obtained.

## **ACHIEVEMENTS**

- Organising and running gigs throughout Maidstone.  
Either as working as part of a team or by myself I collected over £1000 for charities all over the UK.

- Running University Radio station  
I ran the radio station at the University of Ravensbourne for 2 years, I did tech, performing and advertising.

## **TECHNICAL SKILLS**

- Competent with Windows and OSX
- Competent in ProTools and Logic
- Experience in all Microsoft office programs
- Experiences in HTML, JS and CSS coding.

## **INTERESTS**

### **Scouting**

I have been a scout since beaver age and actively help out in the community.

### **Web Design**

I do this part time as an interest and code for a few small companies all off my own back.
